I purchased it as a gift for my mother in law since she enjoys reading comical yet relateable stories.

From best-selling humorists Ross and Kathryn Petras comes a colorful counting board book that pokes fun at the pitfalls of getting older. This fun and playful package is a perfect gift for grown-ups who are growing old gracefullyâ€”with a sense of humor.The 1, 2, 3s of adulthood differ ever so slightly from the popular grade-school primers of yesteryear inside Ross and Kathryn Petras's 1, 2, Can't Reach My Shoe. This clever counting book for the middle-aged (which the United States Census Bureau defines as age 35 and above) is perfect for readers of a certain vintage who intend to grow old gracefully--and with a sense of humor.Featuring full-color, retro illustrations in a playful board book format, 1, 2, Can't Reach My Shoe makes an excellent, humorous gift for the more than 78.2

million baby boomers in the United States. Consider: * 3: When they were first going out in their twenties, Thaddeus and Theresa used to have sex THREE times each day. Now that they are middle-aged, they still have sex THREE times. A year. *: Hey, those don't look like numbers! And you're right. They are not numbers. They are symbols that are used with numbers . . . and they are all over middle-aged Milton's doctor's report. "It says I should have a total cholesterol 60. I should have LDL
