5 of 5 people found the following review helpful. Warning - It's not about MafaldaBy McKlaatu... it is about the file (digital book). Even at six dollars, I wish I could have my money back, because you cannot ROTATE nor ZOOM !! (Please, double-tapping each frame? No-can-do). Really disappointing... And I was about to buy all the collection in digital, because it looks really nice, very clean and bright (I do not know about the others 1 star reviews... it looks neat in my Kindle!). (Now, " IF ONLY..." in a Mafalda way!) Let me know when this is corrected PLEASE!) PD: why the kilobytes numbers are different from the website VS the number in the Kindle itself?) I bought it directly from the Kindle (lower number!) Am I missing the ROTATE / ZOOM codes?0 of 0 people found the following review

A través de Mafalda y sus amigos, Quino reflexiona con humor crítico e inteligente sobre la política, la economía y la sociedad en general. Este volumen reúne las tiras más significativas que durante los diez años de vida de Mafalda aparecieron tanto en los diarios como en los libros publicados por Quino. Las tiras se encuentran divididas por personajes y por tema (la escuela, las vacaciones...), lo cual da a los lectores una visión distinta de las aventuras de estos entrañables personajes. En esta nueva edición de colección, los lectores gozarán con las angustias de Felipe al momento de ir a la escuela; con los chismes de Susanita, quien parece saber todo lo que ocurre con la gente y animales del barrio; las bestialidades de Manolito, administrador, mercadólogo y heredero del próspero y célebre almacén "Don Manolo"; Miguelito y sus eternos conflictos existenciales; de Libertad y sus esfuerzos por llevar una vida simple; o de las ocurrencias de Guille, que pueden ir desde la creación del Gato-lupa, hasta darle propina a los gigantes que se encargan de dejar las manchas en las paredes del hogar. A medio siglo de que irrumpieran en la vida de los lectores, Mafalda y sus amigos se mantienen tan jóvenes y videntes como siempre. ENGLISH DESCRIPTION Through Mafalda and her friends, Quino reflects with critical, intelligent humor about politics, economy, and society in general. This volume gathers the most significant comic strips which appeared in the newspapers as well as in the books published by Quino during Mafalda's ten years of life. In this newly edited collection, readers will enjoy Felipe's anguish at schooltime; Susanita's gossip, as she seems to know all that is happening with the people and animals in the neighborhood; the stupidity of Manolito, the administrator, marketing specialist, and heir to the prosperous "Don Manolo" grocery store; Miguelito and his eternal existential conflicts; Libertad and her efforts at leading a simple life; or the adventures of Guille, which can range from the creation of "Magnifying-cat" all the way to giving tips to the giants who are in charge of leaving stains on the house walls. Half a century after bursting into readers' lives, Mafalda and her friends are as young and vibrant as ever.
