Some random Mexican jokes from the book: A big tough Mexican man married a good-looking Mexican lady and after the wedding, laid down the following rules: "Honey, I'll be home when I want, if I want and at what time I want - and I don't expect any hassle from you. I expect a great dinner to be on the table unless I tell you otherwise. I'll go hunting, fishing, boozing, and card-playing when I want with my old buddies and don't you give me a hard time about it. Those are my rules! Any comments?" His lovely new bride said, "No, that's fine with me. Just understand that there'll be sex here at eight o'clock every night - whether you're here or not." *** A German, an Australian, and a Mexican are on a plane. They say that they can tell where they are by sticking their hands out of the pane. The German sticks his hand out and says "We are in Germany". The others ask, "How do you know", the German says, "Because it's so cold". Then the Australian sticks his hand out and says "We are in Australia", the others ask "How do you know", he replies "Because it's so warm". Then the Mexican sticks his hand out and back in. He says " We are in Mexico", the others ask "How do you know", he says " Because my watch is gone" *** What's a Mexican favorite book store? Borders.
