**Frida Malone : 100 Jolly Jokes for all Occasions (Volume 3)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 100 Jolly Jokes for all Occasions (Volume 3):

0 of 0 people found the following review helpful. They should call this book The Laughter Manual!By MarizWe all need a good dose of laughter especially when we're stressed out. I found that 100 Jolly Jokes for all Occasions by Frida Malone to be just the cure for those boring days in the office. This is actually a good way to break the monotony. Working 9 hours and doing the same thing over and over again can be hair splitting if you don't do something to

sweeten things up. This book is packed with creative, witty and funny stories that will leave you either grinning like a loony or laughing like a banshee. The delivery and articulation of the stories and jokes are well thought of. It's not flat or awkward at all. I am a great fan of books that make you feel good after reading it and 100 Jolly Jokes for all Occasions rank high on my list of favorites along with Smile Quotes: Be the Quote For the Day. The book's weight and size is perfect for those who plan to take it with them to work or school. You can crack up a few jokes to lighten the mood. Everybody will thank you for it. Let's face it--- smiling is THE cheapest and easiest form of therapy. It's contagious too (in a very good way). Do someone a big favour and give them this book as a gift. This will surely make their day! I would recommend this for those looking for a good laugh and for those who haven't tried this genre. It's easy to follow and it's a guaranteed laugh manual. What are you even doing reading this review?? Get a copy and start your laugh-athon today. 0 of 0 people found the following review helpful. You'll Be the Life of the Party! By Sandy H. Funny stuff inside! 100 Jolly Jokes for All Occasions has, like the name implies, appropriate jokes for every occasion and almost any situation you can imagine. For less than the price of a cup of coffee at Starbucks, you'll be able to talk (and joke) with anyone.

A man, very upset, was complaining to his friend. Last night, I was talking to my wife about living and dying. I told her not to ever leave me in a vegetative state, dependent on machines and liquids. And? She got up, unplugged the TV and took my beer away. \*\*\* A man was at the library when he saw a beautiful woman reading a book. He decided to talk to her, and he asked her, What are you reading? Its a book about happiness in relationships. Did you know that Japanese men are the most romantic men in the whole world? Really, thats an interesting book. the man answered. By the way, let me introduce myself. Im Takanori Sakamoto. \*\*\* This collection of funny jokes will have you and your friends rolling on the floor with laughter. The jokes were carefully chosen so that you can enjoy them no matter what the occasion. Frida Malone does not publish indecent, adult or inappropriate sex jokes. This book is also a great gift for family and friends.
