If you're writing your own pantomime or farce, then this would be a great source of character name inspiration. Best use of name-based punning since the true story of that guy who was

murdered by his wife and buried in their backyard. His name? Doug Gardner. Great gift idea for the silly of all ages.

A Batty Book is a combined book title and author that create a pun or play on words. 1001 Batty Books is a collection of over 1000 such combinations with over 100 hand-drawn illustrations to bring the book titles to life.
