Despite the title, it's about find finding the best party in each of the cities. It also has a section about annual parties or events such as Burning Man. I gave it 4 stars, it accomplishes what it sets out to do; however because the book was written by several authors, each may have their

own interpretation of what the best party is.0 of 0 people found the following review helpful. This book is awesome for anyone that loves to travelBy Patrocinio SalasI plan on doing all of these.
