If you agree with the premise, you'll love it, if you don't, you'll hate it (if that's the case then don't buy it!). I have this one and a similar one sitting on an end table in my office - everyone laughs!0 of 0 people found the following review helpful. Yes, very completeBy Bob VerrinderI was rather surprised by this book, because it definitely does include all

of the reasons to Trust Trump with Nuclear Weapons. Very complete:)

This book is blank. Honestly, what did you really expect? We're screwed and we're all gonna die. Use these pages for notes, doodles, or origami.
