Tim Sims, Dan Pegoda : 101 Things to Do During a Dull Sermon before purchasing it in order to gage whether or not it would be worth my time, and all praised 101 Things to Do During a Dull Sermon:

0 of 0 people found the following review helpful. 101 Things To Do . . .By Randy McClureA pretty neat book. I use some of the illustrations when I'm preaching a (hopefully not boring) sermon.0 of 0 people found the following review helpful. Good for a chuckleBy CustomerI first came across this book in the early '90s while serving as a pastor in North Dakota. At that time, it was released by the (Wittenburg) Door crowd (for those of you who have never heard of it, they're still in business as a religious satire magazine and you can check them out at [...] - but I haven't subscribed for years, now and can't say anything up or down on that). The cartoons don't quite have staying power and some of them are getting a bit dated. They aren't ROFL funny, either, but they're all worth a chuckle. If you've got an imagination that can pair up some of these with your more staid church members, you might even laugh out loud once or twice. I frequently give it to young people who decide to join the church (with instructions to only use these ideas when somebody else is preaching).

A fun, illustrated book guaranteed to make every Sunday more interesting.

About the AuthorTim Sims has been chaplain of Death Valley National Park in California.Dan Pegoda started drawing on church pews at the age of three.
