We all know that Yorkies are adorable little companions, but often overlooked are the myriad responsibilities they selflessly take upon themselves in and around the home.Marvel at 101 full-color photos of these energetic dynamos performing daily tasks including garbage disposal, home security system, dust mop, dishwasher, moist towelette, and many, many more. This charming tribute finally bestows upon Yorkies the fitting credit they deserve for enriching the lives of their owners.

About the AuthorOur location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 250,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these

high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.
