Bought it for my daughter hoping it would help her navigate online dating, but the advice was so old and antiquated that it was useless. Skip buying the book, and check out advice that is current to the 21st century online instead! 0 of 0 people found the following review helpful. Pretty solid info By David M Very informative 0 of 0 people found the following review helpful. This book was very instructional and funny at the same time By Eva Rhodes This book was very instructional and funny at the same time. The ways to flirt are varied depending upon the situations that you may find yourself in, but, if you read this book - you'll find out when and where and most of all HOW.
