About the AuthorMy name is Ryan Omar Williams, born in southwest Philadelphia, As a child I have always, had a very wild imagination, I was the kid in the hood who always build something or created my own Entertainment. From the artwork of creating my first comic book, to writing stories. My family couldn't afford video games or the latest toy. So I found enjoyment in writing. Before publishing books could become very costly. Today I have published a few, Red in your Head and Zombie Slayer: Surviving the Outbreak. I have a wife and two boys, and work in nursing. When I need a break, to go into my own world in my mind. I'm also a movie buff, and sometimes movies don't excite or grab the emotion of what can be placed in words. So I write and write, not looking to get rich but if you have enjoyed my work, then it was time well spent. My imagination has been placed into words for all to enjoy! There are many more titles and episodes coming. So sit back and relax, read the images of people, places emotions and action. As they combine to give you a fantastic entertaining experience.
