Jokes for kids (Funny knock knock jokes) (Series 2 ) (The Joke Book for Kids) We have a ritual with our grandson when we end our conversations on Skye to do a few knock knock jokes. Figured these would be great as the holiday is approaching. Although most are about the food there are many others about the people, places surrounding the holiday. Fun and easy for a child to read. Great entertainment for the whole family. No color photos. Other works by the author are highlighted at the end. 0 of 0 people found the following review helpful. Fun for kids of any age By Kindle Customer I used it when I was with my 5 year old grandson and it was fun for both of us. 1 of 1 people found the following review helpful. Good Clean Fun, Just in Time for the Holidays! By Customer I got this book for my daughter. We sat at the doctors office and read about 25 of them before we were called in from the lobby. These are some good, clean jokes that I think would be best told sitting at the table during the holidays. This book is also FREE right now! So I highly recommend that parents jump on this deal while it is still in effect!
