**Eddie Flores Jr., Elisia Flores : 108 Tips on Business, Travel, and Culture in China** before purchasing it in order to gage whether or not it would be worth my time, and all praised 108 Tips on Business, Travel, and Culture in China:

1 of 1 people found the following review helpful. Easy and helpful hints.By PHCGood refreshing course about the Chinese culture. I would have liked to read a bit more about the Chinese long and shaping history.1 of 1 people found the following review helpful. I had a great time reading this bookBy Stephanie VaskoI had a great time reading this book. I thought back to my trip to China several years ago and instantly related to the passages. It's a nice, quick read with great illustrations and funny anecdotes. Also put some of my friendships in context :). Highly recommend.1 of 1

people found the following review helpful. A Worthwhile ReadBy El LouiseThis book was chock full of helpful tips and little known information about Chinese culture. Jon Murakami' s illustrations were very funny and entertaining.

The author and illustrator balance history, personal anecdotes and humor to guide the reader through all the do's, don'ts and everything in-between. A must-have reference for anyone interested in Chinese culture, travel and business.

"108 Tips on Business, Travel and Culture in China details a Hong Kong-born immigrant's some sixty years of dealing with the Chinese in the U.S. and in China: an experience narrated in a wry observational tone of voice that comes from one very active in the Chinese community in Hawaii." "Those planning a serious business or personal relationship with mainland China's peoples simply must have this book. It's that unique, that accessible, and that highly recommended!"- D. Donovan, MBR
