Lia Romeo, Nick Romeo : 11,002 Things to Be Miserable About: The Satirical Not-So-Happy Book before purchasing it in order to gage whether or not it would be worth my time, and all praised 11,002 Things to Be Miserable About: The Satirical Not-So-Happy Book:

0 of 0 people found the following review helpful. Funny Book, Fast delivery !By KittenI love this book! A friend had a copy of this book and shared it with me once . After encountering the book I knew I ne see my own copy! I ordered a user copy and it came in good condition. You can tell it has mild use , but nothing too notficible. The book is very funny and entertaining! I have a pretty sick sense of humor so this is right up my alley. The book arrived 4 days earlier than the arrival estimate date ! Very pleased with the service and boom !1 of 1 people found the following review helpful. Laughed my butt offBy Barbara RoseOMG ~ this book is hilarious. I'm so glad I got it. Any time I need a laugh, I know where to go. A little bit of it is serious, the rest is just too funny. I love the people the author stuck in : David Hasselhoff. Monica Lewinsky. President George W. Bush.Then: Getting caught picking your nose. Being transferred to Tulsa. Wicked animals in Disney movies. Rural dentistry. But enough - just buy the book. Worth every penny.0 of 0 people found the following review helpful. ... have had this book for quite some time and love it! I recently reordered two more copies and ...By suzanne cohanI have had this book for quite some time and love it! I recently reordered two more copies and gave them as gifts after one of my friends read pages from my copy and wanted one of her own. Every few days I pick it up, read a page or two picked at random and walk away affirmed.

11,002 Things to Be Miserable About is a list of all the reasons NOT to wake up in the morning. Ironically enough, when you put all of them under one cover, its actually very funny. This decidedly absurd inventory of misery is perfect for sardonic and disaffected youth, for people seeking gifts for Traumatic Event Birthdays (like 21, 25, 30, 40, and, well, anything after 40), and for anyone else with an offbeat sense of humor. Enjoy. Some of the entries are pretty basic, like imitation crabmeat, student loans, and David Hasselhoff, but other entries actually include educational things, like: Dust mites, which make up one-third of the weight of a six-year-old pillow. See, you can laugh and learn.

About the AuthorLia Romeo is an award-winning comic playwright who has worked as a P.R. account executive, a receptionist, and a sandwich artist, all of which have equipped her superbly for writing this book. Nick Romeo is a fiction writer and public intellectual of whom the public is not yet aware. His current day job has sunk him into a deep malaise, which he has little hope of ever escaping.
