Scott Adams : 14 Years of Loyal Service in a Fabric-Covered Box: A Dilbert Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised 14 Years of Loyal Service in a Fabric-Covered Box: A Dilbert Book:

0 of 0 people found the following review helpful. Dilbert is great. Writing reviews on an e-reader isn't. By Jason C. Mitchell Okay, these are chronological strips, not ones about a common subject. That's a good thing because you're not paying for strips you'll read/have read in other books. Dilbert is very funny. Now to the important part. Why on earth would you ask people to write reviews on an e-reader? It's time consuming and painful. Here's an idea: Let people rate the book on their e-reader than finish the review on something with a keyboard. The review wouldn't get posted until it was finished. You're welcome. 1 of 1 people found the following review helpful. This is just as good as the earlier ones. By Miild Mannered Mick Dilbert is something I don't get tired of. This is just as good as the earlier ones, it makes me laugh. Glad I am retired and away from it.... the disfunction that is. 0 of 0 people found the following review helpful. Very disappointing. By Reuben Robert What on earth happened to the Dilbert I knew and loved?! I could barely make it through this book. It was really dull.

Anyone who works in a fabric-covered box can relate to Dilbert. Since 1989, Dilbert has been the touchstone of office

humor for people all over the world. As long as there are corrupt businesses, inept bosses and downright loathsome co-workers, there is plenty to chuckle at. Convinced your co-worker is a demon? That your boss is incompetent? That your dog is out to get you? Dilbert believes you, and this book proves it.

About the AuthorWhat started as a doodle has turned Scott Adams into a superstar of the cartoon world. Dilbert debuted on the comics page in 1989, while Adams was in the tech department at Pacific Bell. Adams continued to work at Pacific Bell until he was voluntarily downsized in 1995. He has lived in the San Francisco Bay Area since 1979.
