It does advertise adult jokes, but I've read the book before handing it off to my 10 year old, and they are all clean and quite funny. I had no idea there were so many Knock Knock jokes! My kid is going through them like crazy, getting giggles from everyone she engages with the jokes inside of this book. She's having a blast.*Disclaimer – I received this item as a promotion for my honest opinion.1 of 1 people found the following review helpful. LOL!! ROFL!!By AlexisHahahahahahahahah. This book is extremely funny. We had an excellent time with my family reading it. All of them are very very funny. If you are looking for traditional jocks there are included and some extra I've never heard in my life! It is extremely recommendable for having a good time with family or friends! Go ahead and grab a copy. It's totally worth it!0 of 0 people found the following review helpful. ... children as there isn't a lot of clean family fun out there anymoreBy Esperanza P.I was really excited to share this with my children as there isn't a lot of clean family fun out there anymore. I took this on a cross country road trip, the kids were laughing so bad we had to stop for restroom breaks a few time. Nice clean humor for kids. The price wasn't bad either. (You can't beat free.) Great family fun.
