Guide (Comic Book Checklist and Price Guide):

Comic book collecting is an enormously popular hobby, and collectors, dealers and enthusiasts alike will want the updated 11th edition of this must-have comic book price guide. The 2005 Comic Book Checklist Price Guide contains listings and US prices for more than 115,000 comic books, with over 400 photos for easy identification. Thoroughly researched and up-to-date with information on comic books from 1961 to the present, this edition contains creator information and character data, all in a handy checklist format. A special section for auction prices is also included, together with completely updated prices and key content data on thousands of comic books published since the previous edition. The reference also contains extensive coverage on older titles, making this edition the collector's guide every comics fan needs.

About the Author John Jackson Miller, editorial director for Krause Publications' comics games division, is also the current writer of Marvel Comics' acclaimed Iron Man comic book series. Maggie Thompson is one of the founders of comics fandom. She is a long-time, widely quoted expert. Brent Frankenhoff has collected comics for more than 30 years to build a collection that spans more than 60 years of comics. Peter Bickford along with the co-authors, has released a companion edition to this volume, Comic Book Checklist and Price Guide
