0 of 0 people found the following review helpful. a great calendar for the New Year By Susan V. I needed a new calendar for my workspace and this really fits the bill. The comments or quotes each day are right on and should help to empower women. That is my aim for having it where others can read it. 0 of 0 people found the following review helpful. A nice mix By MsJane Nissen This calendar has a nice mix of daily affirmations mixed with some digs at men, frienemies etc. I've been disappointed with similar calendars in the past, but this one is a winner. 0 of 0 people found the following review helpful. Dud By ReadL8 Sounds cute and funny, but the daily sayings aren't even remotely entertaining. I find myself not even bothering to read it
