**Willow Creek Press : 2016 Cow Abductions! Wall Calendar** before purchasing it in order to gage whether or not it would be worth my time, and all praised 2016 Cow Abductions! Wall Calendar:

0 of 0 people found the following review helpful. Great idea and fun; but could have been better!By Mike P.Best idea for a calendar I've seen in years. Funny stuff and for the most part well done (the photos are retouched, obviously). Each month has its own gag with a wonderful photo. I dinged it one star because of the untapped potential: the rest of the calendar is the typical boring grid with normal holidays. If you're charging \$14-\$15 (regardless of the sale price), you should give customers more than one gag a month! Even a couple text jokes inserted throughout the month, or at the end of the page, would make it worth the price. But it's still a great item to display, especially to make your friends do a double-take!0 of 0 people found the following review helpful. Unique/cool calendarBy Mark G.I liked the 2015 calendar that I bought last year so much that I bought the new one again this year and hung it up at work. People seem to get a lot of enjoyment out of it and like to comment on it.2 of 2 people found the following review helpful. Cow snatchers beware.By Bonnie EntringerI live in Wisconsin and I was wondering where all the cows are going. This calendar explains that the aliens are stealing them. If you buy this calendar you will know what to look out for so as to rescue our cows from those green blooded devils. Save our Cows!

Where are all the cows moooving to? Could it be that aliens are abducting them? These twelve official photodocumented images suggest that its so! The large format, fullcolor calendar features large daily grids with ample

room for jotting appointments, birthdays and reminders. Also included are six bonus months of July through December 2015; moon phases; U.S. and international holidays.

About the Author Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in *Publisher's Weekly*. But, a few years ago we did get noticed with the release of *Just Labs*, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 300,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.
