Fascination with yoga is sweeping pastures throughout the world. Cows are turning to this ancient discipline in herds to reap the benefits of relaxation, flexibility and increased milk production. Twelve classic cow poses, including Downward Facing Bovine (Udder Mooca Svavasana), are aptly demonstrated in this unique calendar. The large format features daily grids with ample room for jotting appointments, birthdays and personal reminders. Also includes six bonus months of July and December 2015; moon phases; U.S. and international holidays.

About the Author Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events

hardly worthy of note in *Publisher's Weekly*. But, a few years ago we did get noticed with the release of *Just Labs*, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 300,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.
