No names for the poses By Queen of the Internet My old yoga calendar with dogs actually showed the name of the pose...would've liked to see that here. 0 of 0 people found the following review helpful. Four Stars By susanne p daley A fun gift for my yoga instructor.

The success of the best-selling Cow Yoga calendar was not lost on the other farm animals. Now the pigs, chickens, sheep and nearly all the critters in the barnyard are getting into the act with myriad poses and postures that you would deem impossible if you were not witnessing them with your own eyes! The large format wall calendar also features six bonus months of July through December 2015; daily grids with ample room for jotting notes and reminders; moon phases; U.S. and international holidays.

About the Author Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a

unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 300,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.
