Great wall calendar for cat loversBy AliceI got the 2015 version of this calendar as a Christmas present, and liked it so much that I bought the 2016 version to use as our family kitchen calendar. The cat photos and captions are delightful, and the boxes for the calendar days are big enough to use for writing in reminders, doctor's appointments, whatever. It's larger than the average calendar (12 inches by 24 inches when opened up and hanging on the wall) which makes it easy to read if you're at the "need large print" stage of life like I am.0 of 0 people found the following review helpful.
