We would all draw faces on him in the calendar.38 of 44 people found the following review helpful. Amusing!By ChasingTexasSo many are waiting for Obama to leave office. This calendar is the highlight of my mother's office.0 of 0 people found the following review helpful. Funny gift!By Adam LyonI bought this for a "Dirty Santa" gift and it was well received. It's a little late to be buying it at this point, but it would be a great gift for your family Republican for anyone who can't shut up about politics.

From the debacle that is Obamacare to the fact that nothing is getting done anywhere on the political landscape, the only positive news to come out of Washington in the past eight years is that Obama's presidency is almost over. So, buck up, America! Let's count down to the bitter end.Full color, hysterical images coupled with i-can't-believe-he-said-that captions, this calendar is sure to bring a laugh to anyone ready for the next administration.
