Not Just Fun -- QUALITY!By JustMyOpinionI have the full-sized version of this as well as the small one, which I keep within arm's reach while I'm working. Obviously it's a fun calendar with great pictures, but what I like best is that the numbers are clearly printed, holidays are listed, and (best of all) it's printed on heavy (but not shiny) cardstock-like paper. The edges don't curl, it doesn't rip through the nail when I change months, and it always looks clean and nice. I'll buy from these people again next year.0 of 0 people found the following review helpful. HilariousBy Carlotta SalemiBought this type of calendar last year and LOVED the pictures in it. It's fun to try and guess which celebrities are being depicted by the animals. I gave them out as gifts as well. Everyone loved them.0 of 0 people found the following review helpful.
