Total waste of money due to poor informationBy GrannyThis description indicates it is a 2016 calendar which I believed would carry from 2016 into 2017 but alas it is 2015-2016. I ordered in inSeptember of 2016. Total waste of money due to poor information. I am returning it and will hesitate to purchase any calendars from .0 of 0 people found the following review helpful. Five StarsBy Monique C.Love it.0 of 0 people found the following review helpful. soft/flimsy plastic cover pagesBy Morgana little disappointed this wasn't like the hard plastic cover pages like the one I bought in a store 2 years ago, flimsy cover but I love the lined days for the full week sections. lots of space to write down a schedule or tasks for each day, plus notes section after sunday for weekly goals.

Enjoy 17-months of someecards with this spiral-bound planner. Each month begins with a different someecards and month-at-a-glance. Address and note pages are included in the back and the whole year is protected by a plastic cover with pocket. The planner starts in August 2015 and takes you through December 2016. Includes protective plastic cover with pocket. All calendar pages are printed on FSC certified paper and use environmentally safe inks.
