This was the best gift because it's adorable, but it's also unusual. Every picture was so funny, and i love that it's not like every other cat calendar out there.0 of 0 people found the following review helpful. For cat lovers only.By Fred AdelmanI am a cat-lover, so I found this calendar (based on the book of the very same name) to be funny and full of beautiful cats in various poses. I lost my two furry four legged family members this year due to their age, so this calendar makes me feel a little bit better. There are no such things as "pets"; only furry/feathered/scaly family members and I was blessed to have two of them for 15/17 years..3 of 3 people found the following review helpful. Five StarsBy Kate R.Really really funny, the perfect gift for the cat lover.

This calendar of witty poems from I Could Pee on This—plus 6 new ones, offers a years' worth of delightful feline advice, observations, and irrationality.

About the AuthorAmong many other things, Francesco Marciuliano is the author of I Could Pee on This, I Could Chew on This, and Sally Forth, an internationally syndicated family comic strip that appears in nearly 800 newspapers around the world.
