Glossy Paper FailBy Mandy VashawDisappointed in this year's version. It is now glossy paper and I can no longer use markers to color it without smudging. I feel like it is all a waste now because there is no easy way to color it and make it look nice. Color pencils are not the greatest looking on glossy paper either. This was the company's bad decision to use this type of paper. Last year was great and I was hoping for the same quality. :(
