This is fine, who needs an 18 month calendar anyway! The extra months are on the insert together instead of on their own like the other 12 months. The pictures are hilarious, the colors are fun and I am really excited to wake up every morning to this hilarity! Highly recommended. 1 of 1 people found the following review helpful. Love, love, loveeeeBy karabI cannot wait to give this as a Christmas present! I give my MIL a cow present for her birthday and Christmas each year as an inside joke and while searching for something this year I came across this and it couldn't be more perfect! Love that it is mini and not a giant calendar and the price was right! 0 of 0 people found the following review helpful. Fun, Fun, FunBy MEREDITH POWELLMy sister and her office LOVE this calendar

Fascination with yoga is sweeping pastures throughout the world. Cows are turning to this ancient discipline in herds to reap the benefits of relaxation, flexibility and increased milk production. Twelve classic cow poses, including Downward Facing Bovine (Udder Mooca Svavasana), are aptly demonstrated in this unique calendar. While ideal for small spaces, the calendar's grids still provide ample room for jotting notes, appointments, birthdays and reminders. Also includes six bonus months of July through December 2016.

About the Author Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in *Publisher's Weekly*. But, a few years ago we did get noticed with the release of *Just Labs*, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.
