Orson Bean : 25 Ways to Cook a Mouse for the Gourmet Cat before purchasing it in order to gage whether or not it would be worth my time, and all praised 25 Ways to Cook a Mouse for the Gourmet Cat:

0 of 0 people found the following review helpful. Adults; children; many chuckes; couple of laugh out louds while by myself!By CustomerA "quick read." The mouse recipes are humorous variations on somewhat well-known recipes from various countries, but the accompanying narratives are the real humor.Adults and children will enjoy this book. The book is good quality tales/tails. 'Twas well written with illustrations that actually add to the humor.The "stories" include finicky cat behavior with international humor. Definitely in good taste!I had many chuckles, no belly laughs, yet I actually laughed out loud a couple of times even though I was by myself while reading it.Readers who know Orsen Bean's humor before reading this book will readily recognize his cadense of speech while reading. , you can readily "hear" his cadence of speech while reading. For readers who did not know his style of humor, they will get a good understanding of hisThe book ended too soon for me. Really cute. Great gift for a cat lover.1 of 1 people found the following review helpful. Cute...By A. VeganWhile this was a cute book, I didn't find it overly funny. There were 25 recipes from all over the world for cooking a mouse. It's not a book I'd purchase because I don't think I'd read it again or recommend it to anyone. There were a few recipes that were cute, such as Mouse In Black Bean Sauce, a

Chinese dish that will leave your cat hungry again in an hour. And Tandoori Mouse, where Mahatma Gandhi tried to convince his cat to choose a vegetarian diet. The cat's response was: "You know what you can do with your brown rice". 2 of 2 people found the following review helpful. Very Funny Pet Humor By A Customer This book of "recipes" is hilarious. I'd recommend it to any pet owner; even dog owners will see the humor. There are descriptions as well as "recipes" for cooking Mouse. Book is good for all ages of readers - even kids will see the humor in it. Somehow I favored the intricate "Roast Leg of Spring Mouse" and "Mousetail Soup" for the mental images they portray.

The comedian offers up a collection of amusing recipes for cats, including Corned Mouse and Cabbage, Burritos con Raton, Mouse Bourguignon, and Souris Printemps. 20,000 first printing.
