Thompson I was disappointed in this book. It contains tons of limericks but the vast majority were apparently written to fill a numbers quota, rather than for cleverness or quality. The "Limericks: Too Gross" by Asimov and Ciardi was also disappointing. If you want pure knee-slapping raunchiness and clever word play go for "the Paris edition of THE LIMERICK." Both writer and editor are anonymous. It's inexpensive and has all the classics as well as many great ones you likely haven't heard. 0 of 0 people found the following review helpful. Water can superb! By Geo C Kaplan Does everything that I expected of it, and in addition waters the plants!

3024 Dirty Limericks is a clever collection of erotic limericks, full of the most bawdy and rambunctious verse ever to be collected in one volume. The limericks are original, packing a salacious message in their classic five-line form. The 3024 limericks are divided into categories for easy reference and include: Limericks about Limericks, Little

Romances, Organs, Strange Intercourse, Oral Irregularities, Buggery, Abuses of the Clergy, Zoophily, Excrement, Gourmands, Virginity, Motherhood, Prostitution, Diseases, Losses, Sex Substitutes, Assorted Eccentricities, Weak Sisters, and Chamber of Horrors, plus notes and an index.
