Came with plenty of Hilarious positions, kinda reached for some positions but still worth it0 of 0 people found the following review helpful. Absolutely HilariousBy Prime Customer35 Pooping Positions to Spice Up the Bathroom: The Ultimate Guide to Pleasurable PoopingThis book is absolutely hilarious, and I love it.However, I wish the book binding itself was higher quality. When it was shipped, the binding bent a little. However, I rate it with 5 stars because I've never laughed so hard.0 of 0 people found the following review helpful. A little cheaper look then I thought but still a great gift for the guy that only talks about poopBy JenniferI bought it as a gift! It is hilarious! A little cheaper look then I thought but still a great gift for the guy that only talks about poop!
