helpful. I love the story about Fluffy getting peanut butter all over ...By CustomerHumorous book for any kind pet lover. I love the story about Fluffy getting peanut butter all over her fur. I am a dog lover, so as I was reading each story, I kept saying to myself, "Go Brutus!" Michael and Terrie have written a very fun book that the whole family (with a good sense of humor) can enjoy and appreciate.

This humorous book has 39 funny stories with full color illustrations to go with each story about Brutus, a dog who hates his life with Fluffy, a prima donna cat that's a complete annoyance to him. Not only is she spoiled and receives extra attention, but her purring irritates him and keeps him awake during nap time. Her sheer existence is painful to him and as frustrating as it is, there's nothing he can do about it. His only escape is when he sleeps and dreams of ways to get rid of her.
