Supposedly some of our brightest speakers, politicians say some pretty stupid things. Members of America's major political parties put out a roaring stream of downright dumb comments, pronouncements, and observations. For proof, look no further than Ted Rueter's two new books, *449 Stupid Things Republicans Have Said* and *449 Stupid Things Democrats Have Said*. The Dems fair little better in *449 Stupid Things Democrats Have Said*. Al Gore said, "I would have kissed Tipper longer at the convention." Hillary Rodham Clinton, during a 2000 campaign interview with Hot 97, a Manhattan hip-hop radio station, stated, "Motown, Motown: That's my era. Those are my people." Rueter snags them all and provides two wonderful collections of quotations that will truly go down in history.
