Ted Rueter : 449 Stupid Things Republicans Have Said before purchasing it in order to gage whether or not it would be worth my time, and all praised 449 Stupid Things Republicans Have Said:

Bush. I thought Bush just a little more intelligent but the quotes here have me doubting yet once again that he had a fair amount of intelligence.0 of 0 people found the following review helpful. Four StarsBy B. Patersontheres plenty more too as the years go by.2 of 3 people found the following review helpful. Liberals are destroying America! Bring back Bush!By A CustomerHowz it crakkin' pip! Another beautiful December day in the US of A (LOL it rhymed)! Although I have never voted in my life, nor can I name how many presidents we have had in the USA, nor do I participate in city hall meetings, nor do I

watch anything besides FOX news, I consider myself a qualified expert to speak about politics. Books like this are destroying the American Dream! The last 7 years in America has been the worst EVER! Gas prices are lower than ever before, unemployment has dropped, the troops are out of Iraq, and VA backlog has been dissolved... YET I still find any reason to complain simply because I am Republican! LOL! I miss the glory days of Dubya Bush and Ronald Reagen... can we go back to those days? Back when the American dream was still alive and well.. you know back in 2008 when Dubya gave big banks bailouts, and entered 2 wars in the Middle East... YES! Take me back! USA USA USA! Say no to Liberals!!!!!!!!!!!!!!

Am I different? Yeah. Deep down, you know you want to wear wider bottoms; you're just not secure enough. . . . Do I do my hair with a weed whacker? I admit it. --Rep. James Traficant (D-Ohio, 1985-2002) Supposedly some of our brightest speakers, politicians say some pretty stupid things. Members of America's major political parties put out a roaring stream of downright dumb comments, pronouncements, and observations. For proof, look no further than Ted Rueter's 449 Stupid Things Republicans Have Said. 449 Stupid Things Republicans Have Said includes subjects ranging from cloning and federal spending to foreign affairs and kissing. Asked what he and former British Prime Minister Tony Blair have in common, President George W. Bush remarked, Well, we both use Colgate toothpaste. According to then-Treasury Secretary Paul O'Neill, If you set aside Three Mile Island and Chernobyl, the safety record of nuclear energy is really very good.; Rueter catches the best of the best, whether the gaffes came from Bob Dole, Trent Lott, Arnold Schwarzenegger, or Strom Thurmond.
