waste your few dollars or time. If your family is like mine you can just sit back at the next gathering and take notes instead of participating in the madness. I guarantee that you will have more laughs and will look at your family in a whole different way. 2 of 2 people found the following review helpful. Funny and delightfully snarky

There's no way you can't find several relatives in this book... the funny thing is when you let them hold the book and they laugh at all the rest of the profiles then get quiet and surly when reading their profile. An excellent coffee table book for laughs and discussion. A wonderful tool to get some reality TV show styled [...] started at family reunions.

They're kooky, they're crazy-50 Relatives Worse Than Yours is a nightmarish family reunion that will have you appreciating your own weird clan. There's the Family Newsletter Publisher who keeps you updated on how Uncle Carl's hip is doing; there's Holistic New Age Aunt, who knows Madonna from Kabbalah class but refuses to introduce you because that would be bad karma; and there's Child Who Was in a National TV Commercial, who has more money than you do. And then there's Uncle Speedo, the Monopoly Bank Thief, and Your Son, the Tenant. Filled with hilarious photographs and bullet points listing all their horrible characteristics, 50 Relatives Worse Than Yours is the perfect gift for anyone who's embarrassed by some members of their family, which let's just admit it is about everyone. And who knows, you might even recognize a relative or two... Justin Racz is an advertising copywriter. He is the author of J.Crewd and 50 Jobs Worse Than Yours. He lives in New York City.
