**A Fowlpun, E L Poppycock : 50 Shades of Coq: A Parody Cookbook For Lovers of White Coq, Dark Coq, and All Shades Between.** before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Shades of Coq: A Parody Cookbook For Lovers of White Coq, Dark Coq, and All Shades Between.:

0 of 0 people found the following review helpful. Excellent read and great easy recipesBy DiehardFun read and good

recipes well laid out for convenience written by a real cook and not some amateur just looking for a fast buck. It's paperback and a decent size, the fonts and their size are comfortable and perfectly legible even for someone who needs reading glasses like I do (no need whipping out that magnifying glass and consulting a hieroglyphics expert). I bought this as a gift for a casual fan of Fifty Shades and as part of a package that included two other parody cook books, and she absolutely loved reading through it, quite the fun gag too unwrapping her gift in front of unsuspecting party guests. And as an avid coq lover myself, I'm planning on getting another copy for my cook book collection as well. 2 of 2 people found the following review helpful. CK aficionados beware! By Steven C. Porter I bought this for one recipe only - the chicken Kiev (herein after referred to as CK). Imagine my utter despondency when I turn to the "Fetish" (yes! yes!) section and find that there is nary a mention of garlic at all in this recipe. The whole essence of CK is garlic butter (GB), and there is no GB here at all. It is at best a rolled chicken nugget. There is no more to say! How can I trust the other recipes? 0 of 0 people found the following review helpful. Five Stars By Villam L Too funny

"These damn things are as hot as a stiff cock. - JULIA CHILD As one of the most famous coq-handlers of all time, Mrs. Child should know what shes talking about. A F Owl puns (get it?) 50 Shades of Coq: A Parody Cookbook For Lovers of White Coq, Dark Coq, and All Shades Between promises to be one of the most cherished and wholesome family books to appear since 50 Shades of Grey. It contains recipes. Many recipes. Up to 50 of them. All containing chicken, or as the French like to titter, Coq. So there you have it. Its a book for cooking. Why anyone would want to cook at home is beyond me, but if you do, then this is the book for you. Or for a friend. Its better if you give it to a friend and let them do the cooking. That way you win some points and get a free meal out of it. Heres an idea: Want to make a lot of friends? Then give a bunch of people a copy of this book. Make sense? I knew youd see the wisdom in this suggestion. Nuff said. Buy the book, the recipes are actually delicious, and the shipping is free if youre a Prime member. And if you dont like the book, just return it for a full refund. What is there to lose, except an opportunity to make new friends? Click the BUY button now! FREE SHIPPING for prime members.
