Ron G Lenn : 50 Shades of Wow: A ridiculous '50 Shades of Grey' parody before purchasing it in order to gage whether or not it would be worth my time, and all praised 50 Shades of Wow: A ridiculous '50 Shades of Grey' parody:

1 of 3 people found the following review helpful. Sarcasm!!!By StaceyIf you have an ADHD mind, this book is perfect for you! Its a super easy read with a lot of funny exaggerated scenes. It needs to be spell checked, a lot but all in all its a witty, hysterical book. If you have an inner monologue that goes on for days and rambles about nonsense than this book will be perfect for you!
