It's colorful and happy! The artwork inside it is amazing, and any golfer would love a book like this! Great stocking stuffer for Christmas, which is right around the corner!! :)0 of 0 people found the following review helpful. Fun, funny, and imaginativeBy dawgThe illustrations are cute and the situations/jokes are all things that golfers have faced on the course. This would be a great gift for the

golfer in your life!

While you are at the golf course, either playing or not, there are things that can happen that are funny - unless they happen to you. This book has 50 of those things illustrated through a group of characters that just want to have fun.
