**Susan McCorkindale : 500 Acres and No Place to Hide: More Confessions of a Counterfeit Farm Girl** before purchasing it in order to gage whether or not it would be worth my time, and all praised 500 Acres and No Place to Hide: More Confessions of a Counterfeit Farm Girl:

5 of 5 people found the following review helpful. Definitely a great 'Bookclub' book...By Kindle CustomerI loved this from page one... Susan writes so succinctly (sp?!) and has a wonderful flair. Her format is a series of e-mails to her

friends and family in another state relating the events of her new life on a huge farm in Virginia (without the many urban amenities of her past, including her six-digit salary job, and conveniences in New York City) You will never be bored, or tire of this book. There is a little bit of everything; mostly humor, and some very poignant and meaningful experiences. Am hosting Bookclub in January, and this is my selection- friends have already read it and LOVED it as well. I highly recommend this for a holiday gift, a vacation book, or one to keep in your top ten stash to re-read again. And what a great price for a priceless book :) 6 of 6 people found the following review helpful. Better than the first! By Mimiland Susan McCorkindale really put her heart into this one! She has a writer's "voice" like I've never experienced. If you're looking for a book that will keep you laughing a few weeks after you finish reading it, then this is the book for you. Susan intimately shares how her and her family rallied around her husband as he battled a life-threatening disease. Throughout it all they found strength in each other they didn't know they had and wove humor throughout the experience. This book is uplifting, hopeful, heartwarming, and hilarious! Need I say more... 2 of 2 people found the following review helpful. but reads more like the author's journal about her neuroses By Susan Bellm Had high hopes, but reads more like the author's journal about her neuroses. Sorry.

The hilarious follow-up to the memoir, *Confessions of a Counterfeit Farm Girl*. It's been four years since Susan's husband dragged her kicking and screaming from their comfortable, big city East Coast life to a farm in Virginia cattle country. Susan's adjusting as best she can, which isn't easy considering she's been known to wear Manolos in manure. She'll never be a real farm girl, but as readers will see from her side-splitting confessions, she's faking it just fine.

About the Author Susan McCorkindale is the author of two memoirs, *No Place to Hide: More Confessions of a Counterfeit Farm Girl* and *Confessions of a Counterfeit Farm Girl*. A former marketing director at Family Circle, McCorkindale is now a freelance advertising copywriter in Virginia. She is also the editor of SHE! magazine and a contributor to The Huffington Post. She is a graduate of Marymount Manhattan College.
