**Human Events : 52 Most Dangerous Liberals in America: 2008 Election Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 52 Most Dangerous Liberals in America: 2008 Election Edition:

We've always known that liberals aren't "playing with a full deck," but it's never been more evident than now. The 2008 election is being overrun by liberal politicians, Hollywood "activists," kooky Leftist organizations, and

mainstream media elite -- all spouting ludicrous left-wing rhetoric. Now HUMAN EVENTS, a leading voice in conservative news, brings you a fun new twist on politics as usual -- The 2008 Election Edition of the "52 Most Dangerous Liberals in America" card deck. Each card features a photo of a "Dangerous Liberal" and a self-condemning quote. Sharing their distorted views on everything from banning guns to spending your tax dollars, some quotes will make you laugh while others are sure to make you cringe. You never know what aces those lunatic liberals have up their sleeves, but with the "52 Most Dangerous Liberals in America" card deck, you'll be able to call their bluff.
