Muhammad Ramazani : 600 Mulla Nasreddin Tales (Silsilah-I Tajdid-I Chap-I Mutun-I Mashhur-I Farsi) (Farsi Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised 600 Mulla Nasreddin Tales (Silsilah-I Tajdid-I Chap-I Mutun-I Mashhur-I Farsi) (Farsi Edition):

1 of 1 people found the following review helpful. Nice and funnyBy PaoloI have bought this book in order to improve

my skills in the Turkish language and to get a more indepth view into the Turkish culture over the past times. Nasreddin Hoca is a famous character in the whole near east, non Arabic world, a man who really existed about 700-800 years ago somewhere in Turkestan. Although certainly not all of his anectodes can be proved to be of his own source, he has become sort of a myth in that area and is a symbol for all what is naive, simplicity, intelligence, stupidity, goodheartedness but also doubleface and cunning, depending on the story he is implied in. The stories are short but give you an insight or the oriental world of past times. 0 of 0 people found the following review helpful. Mulla Nasreddin, The Man Who Never Ceases to Amaze By Interestedconsumer01 Pretty funny stories in here. If you like to have a good laugh, Mulla Nasreddin is the man for you. There is a free edition provided on that has less stories and is in English for you to sample. That was what led me to getting this. This version is written in Persian, so make sure you can read or have someone else do it. 12 of 12 people found the following review helpful. Excellent for Persian Language Students By Khoshbakhti I am a student of Persian and have found this book to be an excellent source of short stories that are both enjoyable and relatively easy to translate. The binding is sturdy and the pages are heavy and durable, (Important if you're going to make lots of notes inside!) All the vocabulary I had to look up could be found in the Hippocrene Standard Persian-English Dictionary, also available on .

Collection of traditional humorous tales in Persian (Farsi).
