Good uplifting readBy RichardGreat clean jokes a little corny but fun2 of 2 people found the following review helpful. Cub scout worthyBy mommy846585My son's cub scout troop tells jokes while they are waiting for parents to show up for pack meetings and while all of these are clean, most of them aren't beyond the humor of an 8 year old and lots of them are even short enough for them to remember. At an age when kids are just figuring out what makes a good "joke" and are really interested in knowing some, this was just what we needed.

Only Barbour can pack 777 great clean jokes into a single book! Here's a sparkling new collection of unsullied humor, ideal for any age and situation. Following in the footsteps of other best-selling Barbour joke books-such as Noah's Favorite Animal Jokes, The World's Greatest Collection of Church Jokes, and Knock, Knock, Who's There?-the entries in 777 Great Clean Jokes are categorized by topic and promise hours of fun and laughter for personal reading, church activities, and speech or sermon preparation.
