Mike Clarke : 88 Bagel Cartoons before purchasing it in order to gage whether or not it would be worth my time, and all praised 88 Bagel Cartoons:

88 Bagel Cartoons is exactly what the baker ordered. It's chock full of flavorful humor, which goes well with a great cup of coffee or tea. No two bagels are exactly alike; they all have their own unique personalities. These characteristics are reflected in the 88 delightful and clever cartoons. Why 88? Because those numbers were inspired by bagels! This lighthearted look at bagels is a perfect gift for anyone who's ever eaten a bagel and wondered . . . Why?
