By Eric Lander I bought this as a birthday gift for my son (8 years old) who loves to play Minecraft and can sit for hours watching Stampy's videos. He's really enjoyed this book and often takes it out to run around the house asking everyone random questions or jokes. Some of the material is over his head a bit - but he enjoys it. For the price, you can't go wrong though. Just keep in mind that it's 99 jokes long, so the book is rather short. I certainly knew that buying the book, but it still feels light

The jokes are cute without being offensive in the least - although they did have to explain the point of a couple.1 of 1 people found the following review helpful. Who doesnt love Stampy and his jokes? Cute bookBy salandjuneMy 10 year old son got this book for Christmas and loves it. He loves everything Stampy so it was a great fit for him. Read the entire book in a day. Very cute.

99 Hilarious jokes based on Stampy's favourite game. What do Snow Golems wear on their head? Why won't Endermen eat clowns? Why don't Guardians eat penguins? Find out the answers to these and many more hysterical jokes. You will never be able to play the game, without laughing out loud, ever again.
