Brett Stern : 99 Ways to Open a Beer Bottle Without a Bottle Opener before purchasing it in order to gauge whether or not it would be worth my time, and all praised 99 Ways to Open a Beer Bottle Without a Bottle Opener:

2 of 2 people found the following review helpful. Great ideas for that desperate to be drunk in your life. By Laura Lou Got this as a gag gift for my dad after a day at the beach trying to figure out how to open beer bottles without an opener (we all forgot to bring one). Now he will be prepared next time. The quality was really nice and the ideas were pretty clever. 2 of 2 people found the following review helpful. great book By ms.smarty Such a great book and very funny. So happy I purchased this book. It will be a gift for a beer brewer. 0 of 0 people found the following review helpful. Great for beer drinker in the family By Brian This is a fun and funny book!

It's every beer drinker's worst nightmare—a cold brew in hand with no means to open it. Here to the rescue is an indispensable guide featuring 99 ways* to get the job done fast using anything and everything in sight as a bottle opener in a time of need. Photographs and step-by-step instructions for each method walk thirsty readers through the art of opening bottles, revealing the practical use of such handy available implements as a belt buckle, TV remote, baby carriage, dog collar, ski binding, golf club, park bench, BBQ grill, lawn mower, automatic teller machine, police car, and many more. Cheers! *Plus one: the spine of this hardcover opens bottles, too.

"This may be the most unusual beer book we've seen all year and it's one we're hanging on to." -American Craft Beer From the Inside Flap For all of you who bought a hardcover version, the spine of the book can be used to open a beer. 100th way! About the Author Brett Stern is an industrial designer and the inventor of Beer Chips®. He lives and drinks beer in Portland, Oregon.
