Mark Stibbe : A Bundle of Laughs: An A-Z of the funniest and sharpest comments, quips and stories before purchasing it in order to gage whether or not it would be worth my time, and all praised A Bundle of Laughs: An A-Z of the funniest and sharpest comments, quips and stories:

A lively, wise and hilarious compilation of sayings, stories and one-liners from the famous, the infamous and the completely anonymous. The material is arranged alphabetically by theme, and embellished with Darren Harvey-Regan's wonderful cartoons. The clever combination of wit and observation will make this a collection to prize and to

give. A positive attitude may not solve all your problems, but it will annoy enough people to make it worth the effort.
