Claudia Hart : A Child's Machiavelli: A Primer on Power before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Child's Machiavelli: A Primer on Power:

2 of 2 people found the following review helpful. Raising Power Hungry Children By talkingtonya I've been wanting to buy this book for some time now. I missed out on raising my child by the excellent guidelines set forth in this book. Plus, there is the added bonus of this book making it easier to understand, "The Prince" by that guy who died a long time ago. I wonder ppl respect, fear or love him? I bet he was a loathsome sonsabitch. 1 of 1 people found the following review helpful. Satisfied By J. Breckenridge Interesting book. I primer is the perfect title. Covers the basics of "The Prince" in elementary fashion. Very entertaining. Trying to keep my son from taking it. 0 of 0 people found the following review helpful. fun By Julie My husband bought this we have a toddler and one on the way. It is very funny and I think it is just a fun addition to the tons of kids books we have

No matter your age, September signals a return to the shark-infested waters of school or workplace. Here is a darkly comic and enticingly designed primer for survival. Right in tune with the millennial thirst for power and

sanctimonious view of children, *A Child's Machiavelli*--distilled from the sixteenth-century Italian political philosopher's notorious treatise--spells out intricacies of manipulation and domination in simple, straightforward language juxtaposed with sweetly pastel images appropriated from children's classics. * Only give things away when people are watching * People who cheat are always more successful than people who are always honest * Make sure you only let people see you doing stuff where you come off really good * If somebody's got to hate you, make sure it's a bunch of weaklings with no money As Machiavelli's Prince meets Antoine Saint-Exupery's Little Prince, it's easy as ABC to be politically savvy and savage at work or at play. Its tongue-in-cheek concept and mischievous format make *A Child's Machiavelli* a finely ironical key to maximizing your advantages and diminishing your rivals. What a wicked, decadent, delicious--and ruthlessly instructive--gift book!
