0 of 0 people found the following review helpful. A Hull of a book.By Stephen I. BrickerAlmost everything you wanted to know about Hull and its people, well written and entertaining!

Hull's geography and powerful ties to the sea demand that people engage in certain maritime occupations, the hardship of which few outside the town can fully grasp. Within its small population can be found lobstermen, harbormasters, some of the bravest Coast Guardsmen in the country and more. What do these people do on a daily basis? Award-winning author John Galluzzo samples a day in the life of these extraordinary citizens to find out.

About the AuthorJohn Galluzzo is the author of more than 35 books on the history and nature of Massachusetts, the northeast and the Coast Guard.
