Good for kids to adults!!!By Sharon WhiteReally cute dog book.1 of 1 people found the following review helpful. Great Gift!By Sissi RiveraGemma Correll's illustrations are sweet, witty and fun. Gave it to my friend as a gift and she loved it! Must have for any dog lovers coffee table.

Gemma Correll's whimsical illustrations capture all Fido's moods from perky scamp to loyal, obedient protector. Although this book does present a vast array of canine shenanigans purple for our amusement, be forewarned-- you'll also get some startling insights into what your dog is really thinking about you (and, it may not always be complimentary-- not that you will really mind). You see, dogs have insinuated themselves into our lives as no other creatures could. What's more, they know they'll always have a place in our hearts. Why else do we lavish them with

yummy treats and belly scratches? There's something about a wagging tail and a soulful stare that's just too hard to resist.
