There's a few lines though, that are unfriendly to wild animals (i.e. bunnies, rodents and so called frozen fowl.) Lines like "I happened to gobble the neighbor's pet rabbit" were a little unsettling for me. For the most part though, the story has its charms and is pleasant. There are also some nice illustrations. 0 of 0 people found the following review helpful. Five Stars By Sally W. A delightful take on the traditional "Visit of St Nicholas" - told from a canine perspective, of course. 0 of 0 people found the following review helpful. Dog's Night Before Christmas By Ann S Hurd Very cute book starring a kind happy dog with lots of other happy animals. A good book for pet lovers.

A hilarious retelling of Clement C. Moore's classic poem, "'Twas the Night Before Christmas" from the point of view of the family dog.
